Hey Suzanne, The agenda is quite full in Dillingham - am I supposed to carve out some time? I thought this was all happening in Anchorage?

Hi, I'm not trying to be a pest, but I'm not clear if Suzanne is asking a question in her comment below or if there is more work to do. I thought we were offering press opportunities in Bethel, Dillingham, and Valdez--which is no longer. So, it seems that we need to provide Suzanne/Mark with the 20 minute time slots that may work on the ground in Bethel and Dillingham. "Where" is a question, it may have to be at the airport--I'll defer to Tami and Dennis to offer up their ideas/opinions. Perhaps this has all already been taken care of and I need to back out--that would be my hope...

Re: Alaska Briefing Materials: Monday- Thursday

This is the last itinerary we received from AOO on Thursday afternoon.

This itinerary does not yet reflect the press interview time slots I've requested for Jackson/McLerran with tribal/village press on Tues, Wed, and Thurs.
